| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, IHC-Fr, IHC-P                                                                                                                                                                                                                                          |
| Immunogen                | 51-113/113                                                                                                                                                                                                                                                    |
| Konjugation              | Biotin                                                                                                                                                                                                                                                        |
| Produktbeschreibung      | Representing approximately 6% of the human genome, chromosome 4 contains nearly 900 genes. Notably, the Huntingtin gene, which is found to encode an expanded glutamine tract in cases of Huntingtons disease, is on chromosome 4. FGFR-3 is also encoded ... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 1ug/ul                                                                                                                                                                                                                                                        |
| NCBI                     | <a href="#">201725</a>                                                                                                                                                                                                                                        |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.03% Proclin300 and 50% Glycerol.                                                                                                                                                       |

|                        |                                                             |
|------------------------|-------------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from human C4orf46 |
| Reinheit               | Purified by Protein A.                                      |
| Target-Kategorie       | C4orf46                                                     |
| Application Verdünnung | ELISA(1:500-1000), IHC-P(1:200-400), IHC-F(1:100-500)       |
