| Hersteller               | Bioss                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                              |
| Applikation              | IF, WB                                                                                                                                                                  |
| Immunogen                | 121-189/189                                                                                                                                                             |
| Konjugation              | Cy5                                                                                                                                                                     |
| Produktbeschreibung      | Produced by macrophages, IFN-alpha have antiviral activities. Interferon stimulates the production of two enzymes: a protein kinase and an oligoadenylate synthetase... |
| Klonalität               | Polyclonal                                                                                                                                                              |
| Konzentration            | 1ug/ul                                                                                                                                                                  |
| NCBI                     | <a href="#">3442</a>                                                                                                                                                    |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.03% Proclin300 and 50% Glycerol.                                                                 |
| Quelle                   | KLH conjugated synthetic peptide derived from human IFNA5                                                                                                               |

|                        |                                                                             |
|------------------------|-----------------------------------------------------------------------------|
| Reinheit               | Purified by Protein A.                                                      |
| Target-Kategorie       | IFNA5                                                                       |
| Application Verdünnung | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
