## Product Datasheet

### REXO4 Antibody, Unconjugated, Rabbit, Polyclonal PRS-27-751

|                          |                                                                                                        |
|--------------------------|--------------------------------------------------------------------------------------------------------|
| Artikelname              | REXO4 Antibody, Unconjugated, Rabbit, Polyclonal                                                       |
| Artikelnummer            | PRS-27-751                                                                                             |
| Hersteller Artikelnummer | 27-751                                                                                                 |
| Alternativnummer         | PRS-27-751-100                                                                                         |
| Hersteller               | ProSci                                                                                                 |
| Wirt                     | Rabbit                                                                                                 |
| Kategorie                | Antikörper                                                                                             |
| Applikation              | ELISA, WB                                                                                              |
| Spezies Reaktivität      | Canine, Human, Mouse, Rat                                                                              |
| Immunogen                | Antibody produced in rabbits immunized with a synthetic peptide corresponding a region of human REXO4. |
| Konjugation              | Unconjugated                                                                                           |
| Klonalität               | Polyclonal                                                                                             |
| Konzentration            | batch dependent                                                                                        |
| Molekulargewicht         | 47 kDa                                                                                                 |
| NCBI                     | <a href="#">57109</a>                                                                                  |
| UniProt                  | <a href="#">Q9GZR2</a>                                                                                 |
| Puffer                   | Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.              |

|                        |                                                                                                                                                                                                                                      |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                                                                               |
| Application Verdünnung | Optimal dilutions for each application to be determined by the researcher.                                                                                                                                                           |
| Anwendungsbeschreibung | REXO4 antibody can be used for detection of REXO4 by ELISA at 1:1562500. REXO4 antibody can be used for detection of REXO4 by western blot at 0.5 µg/mL, and HRP conjugated secondary antibody should be diluted 1:50,000 - 100,000. |
