| Artikelname              | Il6ra Antibody, Unconjugated, Goat, Polyclonal                                                                                                            |
| Artikelnummer            | PRS-43-423                                                                                                                                                |
| Hersteller Artikelnummer | 43-423                                                                                                                                                    |
| Alternativnummer         | PRS-43-423-0.1                                                                                                                                            |
| Hersteller               | ProSci                                                                                                                                                    |
| Wirt                     | Goat                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                |
| Applikation              | ELISA                                                                                                                                                     |
| Immunogen                | The immunogen for this antibody is: C-YLLQFQLRYRPVWSK                                                                                                     |
| Konjugation              | Unconjugated                                                                                                                                              |
| Klonalität               | Polyclonal                                                                                                                                                |
| Konzentration            | 500 ug/mL                                                                                                                                                 |
| NCBI                     | <a href="#">16194</a>                                                                                                                                     |
| UniProt                  | <a href="#">P22272</a>                                                                                                                                    |
| Puffer                   | Supplied at 0.5 mg/ml in Tris saline, 0.02% sodium azide, pH7.3 with 0.5% bovine serum albumin. Aliquot and store at -20C. Minimize freezing and thawing. |
| Formulierung             | Liquid                                                                                                                                                    |

|                        |                                                                                                                                                                                                                                                                                                                                                                                               |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | Peptide ELISA: antibody detection limit dilution 1:2000. Western Blot: Preliminary experiments in Mouse Spleen and Thymus lysates and in lysates of cell lines NIH3T3 and NSO gave no specific signal but low background (at antibody concentration up to 1 µg/ml). We would appreciate any feedback from people in the field - have any results been reported with other antibodies/lysates? |
