### UCP3 Antibody, Unconjugated, Gallus, Polyclonal PRS-54-206

|                          |                                                 |
|--------------------------|-------------------------------------------------|
| Artikelname              | UCP3 Antibody, Unconjugated, Gallus, Polyclonal |
| Artikelnummer            | PRS-54-206                                      |
| Hersteller Artikelnummer | 54-206                                          |
| Alternativnummer         | PRS-54-206-0.1                                  |
| Hersteller               | ProSci                                          |
| Wirt                     | Gallus                                          |
| Kategorie                | Antikörper                                      |
| Applikation              | WB                                              |
| Spezies Reaktivität      | Human, Mouse                                    |
| Immunogen                | Uncoupling Protein 3 C-terminus peptide         |
| Konjugation              | Unconjugated                                    |
| Klonalität               | Polyclonal                                      |
| Konzentration            | batch dependent                                 |
| NCBI                     | <a href="#">7352</a>                            |
| UniProt                  | <a href="#">P55916</a>                          |
| Puffer                   | PBS Buffer containing 0.02% sodium azide.       |
| Formulierung             | Liquid                                          |

|                        |                                                                                                                                                                                            |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | Optimal dilutions for each application to be determined by the researcher.                                                                                                                 |
| Anwendungsbeschreibung | UCP3 antibody can be used at 1:1000-1:5000 dilutions for Western Blot analysis and for other immuno-assays. Customers need to optimize the dilution when using the antibody in IHC or ICC. |
