| Hersteller               | Biomatik Corporation                                                                                                                                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                     |
| Applikation              | ELISA, IF, IHC                                                                                                                                                                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                          |
| Immunogen                | Recombinant Human Disintegrin And Metalloproteinase Domain-Containing Protein 10 Protein (214-504Aa)                                                                                                                                                           |
| Produktbeschreibung      | The Adam10 Polyclonal Antibody is applicable for the following applications: ELISA, IHC, IF. Host: Rabbit. Species Reactivity: Human (Homo sapiens). Immunogen: Recombinant Human Disintegrin And Metalloproteinase Domain-Containing Protein 10 Protein (...) |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                     |
| Konzentration            | Lot specific. Please inquire or refer to the datasheet included in the product pouch.                                                                                                                                                                          |
| Puffer                   | Preservative: 0.03% Proclin 300, Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                                                                                                                                                                                 |

|                  |                          |
