| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ICC, IHC, IP, WB                                                                                                                                                                                                                                              |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                             |
| Immunogen                | Tyr347~Asn521                                                                                                                                                                                                                                                 |
| Produktbeschreibung      | The Fibulin 1 (FBLN1) Polyclonal Antibody is applicable for the following applications: WB, IHC, ICC, IP. Host: Rabbit. Species Reactivity: Rat (Rattus norvegicus), Human (Homo sapiens), Mouse (Mus musculus). Immunogen: Tyr347~Asn521. Accession Numbe... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.5mg/ml                                                                                                                                                                                                                                                      |
| Puffer                   | 0.01M PBS, pH7.4, containing 0.05% Proclin-300, 50% glycerol                                                                                                                                                                                                  |
| Reinheit                 | Antigen-specific affinity chromatography followed by Protein A affinity chromatography                                                                                                                                                                        |

|                  |                   |
|------------------|-------------------|
| Formulierung     | Liquid            |
| Target-Kategorie | Fibulin 1 (FBLN1) |
