| Kategorie                | Kits/Assays                                                                                                                                                                                                                                                   |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | Mouse TGF-beta1 (Transforming Growth Factor beta1) ELISA Kit for detecting TGF-beta1 in serum, plasma, cell culture supernatant, cell or tissue lysate, other biological fluids. Species Reactivity: Mouse (Mus musculus). Detection Range: 31.25-2000pg/m... |
| Detektionsbereich        | 31.25-2000pg/ml                                                                                                                                                                                                                                               |
| Sensitivitaet            | 18.75pg/ml                                                                                                                                                                                                                                                    |
| Formulierung             | 96-Well Plate                                                                                                                                                                                                                                                 |
| Proben                   | Serum, Plasma, Cell Culture Supernates, Cell Lysates, Tissue Homogenates, Other Biological Fluids                                                                                                                                                             |
| Target-Kategorie         | TGF-beta1                                                                                                                                                                                                                                                     |
