| Kategorie                | Kits/Assays                                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Rabbit                                                                                                                                                                                                                                                                 |
| Produktbeschreibung      | Rabbit Cross Linked C-Telopeptide Of Type II Collagen (CTXII) ELISA Kit for detecting CTXII in serum, plasma, tissue homogenates, cell lysates, cell culture supernates, other biological fluids. Species Reactivity: Rabbit ( <i>Oryctolagus cuniculus</i> ). Dete... |
| Detektionsbereich        | 98.8-8,000pg/ml                                                                                                                                                                                                                                                        |
| Sensitivitaet            | 36.4pg/ml                                                                                                                                                                                                                                                              |
| Formulierung             | 96-Well Plate                                                                                                                                                                                                                                                          |
| Proben                   | Serum, Plasma, Tissue Homogenates, Cell Lysates, Cell Culture Supernates, Other Biological Fluids                                                                                                                                                                      |
| Target-Kategorie         | Cross Linked C-Telopeptide Of Type II Collagen (CTXII)                                                                                                                                                                                                                 |
