| Spezies Reaktivität      | Rat                                                                                                                                                                                                                                                           |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | Recombinant Rat Interleukin 22 Receptor (IL22R) is a purified Prokaryotic Protein. Purity: >90% by SDS-PAGE. Host: E. coli. Endotoxin Level: <1.0EU per 1ug, by the LAL method. Species: Rat (Rattus norvegicus). Target Name: Interleukin 22 Receptor (IL... |
| Molekulargewicht         | 33kDa                                                                                                                                                                                                                                                         |
| Tag                      | N-Terminal His Tag                                                                                                                                                                                                                                            |
| Puffer                   | PBS, pH7.4, containing 0.01% SKL, 5% Trehalose.                                                                                                                                                                                                               |
| Expression System        | Prokaryotic Expression                                                                                                                                                                                                                                        |

|                  |                                 |
|------------------|---------------------------------|
| Reinheit         | >90% by SDS-PAGE                |
| Formulierung     | Freeze-dried powder             |
| Target-Kategorie | Interleukin 22 Receptor (IL22R) |
