| Hersteller               | Biomatik Corporation                                                                                                                                                                                                                                          |
| Wirt                     | E. coli                                                                                                                                                                                                                                                       |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Applikation              | Control, SDS-PAGE, WB                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Equine                                                                                                                                                                                                                                                        |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | Accession Number: P00443. Activity: Not Tested. Endotoxin Level: <1.0EU/ug, by the LAL method. Expiration: Stable for 12 months if correctly stored. Expression Region: Ala2~Pro154. Isoelectric Point: 6.6. Protein Type: Prokaryotic Protein. Quality Gu... |
| Molekulargewicht         | 22kDa                                                                                                                                                                                                                                                         |
| Tag                      | N-Terminal His Tag                                                                                                                                                                                                                                            |
| Puffer                   | PBS, pH7.4, containing 0.01% SKL, 5% Trehalose.                                                                                                                                                                                                               |
| Expression System        | Prokaryotic Expression                                                                                                                                                                                                                                        |

|                  |                               |
|------------------|-------------------------------|
| Reinheit         | >95% by SDS-PAGE              |
| Formulierung     | Freeze-dried powder           |
| Target-Kategorie | Superoxide Dismutase 1 (SOD1) |
