| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Applikation              | Control, SDS-PAGE, WB                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | Accession Number: Q9NR23. Activity: Not Tested. Endotoxin Level: <1.0EU/ug, by the LAL method. Expiration: Stable for 12 months if correctly stored. Expression Region: Ala251~Gly364. Isoelectric Point: 6.43. Protein Type: Prokaryotic Protein. Quality... |
| Molekulargewicht         | 16kDa                                                                                                                                                                                                                                                         |
| Tag                      | N-Terminal His Tag                                                                                                                                                                                                                                            |
| NCBI                     | <a href="#">9573</a>                                                                                                                                                                                                                                          |
| Puffer                   | PBS, pH7.4, containing 0.01% SKL, 5% Trehalose.                                                                                                                                                                                                               |

|                   |                                        |
|-------------------|----------------------------------------|
| Expression System | Prokaryotic Expression                 |
| Reinheit          | >95% by SDS-PAGE                       |
| Formulierung      | Freeze-dried powder                    |
| Target-Kategorie  | Growth Differentiation Factor 3 (GDF3) |
