## Product Datasheet

### GPX8 Rabbit pAb, Unconjugated, Polyclonal ABB-A20390

|                          |                                                                                                                                                            |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | GPX8 Rabbit pAb, Unconjugated, Polyclonal                                                                                                                  |
| Artikelnummer            | ABB-A20390                                                                                                                                                 |
| Hersteller Artikelnummer | A20390                                                                                                                                                     |
| Alternativnummer         | ABB-A20390-100UL, ABB-A20390-20UL, ABB-A20390-500UL, ABB-A20390-1000UL                                                                                     |
| Hersteller               | ABclonal                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                 |
| Applikation              | ELISA, WB                                                                                                                                                  |
| Spezies Reaktivität      | Human                                                                                                                                                      |
| Immunogen                | Recombinant protein (or fragment). This information is considered to be commercially sensitive.                                                            |
| Konjugation              | Unconjugated                                                                                                                                               |
| Produktbeschreibung      | Enables peroxidase activity. Predicted to be involved in cellular response to oxidative stress. Predicted to be located in endoplasmic reticulum lumen.... |
| Klonalität               | Polyclonal                                                                                                                                                 |
| Molekulargewicht         | 24kDa                                                                                                                                                      |
| NCBI                     | <a href="#">493869</a>                                                                                                                                     |

|                        |                                                                                                                                                                                      |

| Target-Kategorie       | GPX8                                                                                                                                                                                 |
| Antibody Type          | Primary Antibody                                                                                                                                                                     |
| Application Verdünnung | WB,1:500 - 1:1000 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements.                                  |
| Anwendungsbeschreibung | Cross-Reactivity: Human,Mouse,Rat. ResearchArea: Endocrine Metabolism. Shipping: Ice Bag                                                                                             |
