## Product Datasheet

### **ENTPD1 recombinant monoclonal antibody, clone R07-2J4, Clone: [R07-2J4], Monoclonal ABN-RAB06411**

|                          |                                                                                             |
|--------------------------|---------------------------------------------------------------------------------------------|
| Artikelname              | ENTPD1 recombinant monoclonal antibody, clone R07-2J4, Clone: [R07-2J4], Monoclonal         |
| Artikelnummer            | ABN-RAB06411                                                                                |
| Hersteller Artikelnummer | RAB06411                                                                                    |
| Alternativnummer         | ABN-RAB06411-100                                                                            |
| Hersteller               | Abnova                                                                                      |
| Kategorie                | Antikörper                                                                                  |
| Applikation              | IF, IHC, IP, WB                                                                             |
| Spezies Reaktivität      | Human                                                                                       |
| Immunogen                | Original antibody is raised against protein corresponding to full length human ENTPD1.      |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against human, mouse and rat ENTPD1....       |
| Klonalität               | Monoclonal                                                                                  |
| Klon-Bezeichnung         | [R07-2J4]                                                                                   |
| UniProt                  | 953                                                                                         |
| Puffer                   | In 50 mM Tris-Glycine pH 7.4 (0.15 M NaCl, 40% Glycerol, 0.01% Sodium azide and 0.05% BSA). |
| Formulierung             | Liquid                                                                                      |

|                        |                                                                                              |
|------------------------|----------------------------------------------------------------------------------------------|
| Target-Kategorie       | ENTPD1                                                                                       |
| Application Verdünnung | Western Blot (1:500-1:1000)The optimal working dilution should be determined by the end use. |
