## Product Datasheet

### **AHCY monoclonal antibody (M01A), clone 1E11-1A7, Clone: [1E11-1A7], Mouse, Monoclonal ABN-H00000191-M01A**

|                          |                                                                                                                    |
|--------------------------|--------------------------------------------------------------------------------------------------------------------|
| Artikelname              | AHCY monoclonal antibody (M01A), clone 1E11-1A7, Clone: [1E11-1A7], Mouse, Monoclonal                              |
| Artikelnummer            | ABN-H00000191-M01A                                                                                                 |
| Hersteller Artikelnummer | H00000191-M01A                                                                                                     |
| Alternativnummer         | ABN-H00000191-M01A-200                                                                                             |
| Hersteller               | Abnova                                                                                                             |
| Wirt                     | Mouse                                                                                                              |
| Kategorie                | Antikörper                                                                                                         |
| Applikation              | ELISA, WB                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                              |
| Immunogen                | AHCY (AAH11606, 1 a.a. ~ 432 a.a) full-length recombinant protein with GST tag. MW of the GST tag alone is 26 KDa. |
| Produktbeschreibung      | Mouse monoclonal antibody raised against a full-length recombinant AHCY....                                        |
| Klonalität               | Monoclonal                                                                                                         |
| Klon-Bezeichnung         | [1E11-1A7]                                                                                                         |
| UniProt                  | 191                                                                                                                |
| Puffer                   | In ascites fluid                                                                                                   |

|                  |                                                                                                                                                                                                                                                                                 |
