## Product Datasheet

### **AHSG monoclonal antibody (M02), clone 1D8, Clone: [1D8], Mouse, Monoclonal ABN-H00000197-M02**

|                          |                                                                                                                       |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Artikelname              | AHSG monoclonal antibody (M02), clone 1D8, Clone: [1D8], Mouse, Monoclonal                                            |
| Artikelnummer            | ABN-H00000197-M02                                                                                                     |
| Hersteller Artikelnummer | H00000197-M02                                                                                                         |
| Alternativnummer         | ABN-H00000197-M02-100                                                                                                 |
| Hersteller               | Abnova                                                                                                                |
| Wirt                     | Mouse                                                                                                                 |
| Kategorie                | Antikörper                                                                                                            |
| Applikation              | ELISA, IP, WB                                                                                                         |
| Spezies Reaktivität      | Human                                                                                                                 |
| Immunogen                | AHSG (AAH48198.1, 19 a.a. ~ 367 a.a) full-length recombinant protein with GST tag. MW of the GST tag alone is 26 KDa. |
| Produktbeschreibung      | Mouse monoclonal antibody raised against a full-length recombinant AHSG....                                           |
| Klonalität               | Monoclonal                                                                                                            |
| Klon-Bezeichnung         | [1D8]                                                                                                                 |
| UniProt                  | 197                                                                                                                   |
| Puffer                   | In 1x PBS, pH 7.4                                                                                                     |

|                  |                                                                                                                                                                                                                                                                                  |
