## Product Datasheet

### **THY1 monoclonal antibody, clone 5E10, IgG1, Clone: [5E10], Mouse, Monoclonal ABN-MAB12871**

|                          |                                                                              |
|--------------------------|------------------------------------------------------------------------------|
| Artikelname              | THY1 monoclonal antibody, clone 5E10, IgG1, Clone: [5E10], Mouse, Monoclonal |
| Artikelnummer            | ABN-MAB12871                                                                 |
| Hersteller Artikelnummer | MAB12871                                                                     |
| Alternativnummer         | ABN-MAB12871-100                                                             |
| Hersteller               | Abnova                                                                       |
| Wirt                     | Mouse                                                                        |
| Kategorie                | Antikörper                                                                   |
| Applikation              | FC, ICC, IHC-Fr, IHC-P, IP, WB                                               |
| Spezies Reaktivität      | Human                                                                        |
| Immunogen                | Human erythroleukemia cell line (HEL).                                       |
| Produktbeschreibung      | Mouse monoclonal antibody raised against human THY1....                      |
| Klonalität               | Monoclonal                                                                   |
| Klon-Bezeichnung         | [5E10]                                                                       |
| Isotyp                   | IgG1                                                                         |
| UniProt                  | 7070                                                                         |
| Puffer                   | In PBS, pH 7.4.                                                              |
| Formulierung             | Liquid                                                                       |

|                        |                                                                                                                                                                                                                                        |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | THY1                                                                                                                                                                                                                                   |
| Application Verdünnung | Flow CytometryImmunocytochemistryImmunohistochemistry (Frozen sections)Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections) (20 ug/mL)ImmunoprecipitationWestern BlotThe optimal working dilution should be determined |
