## Product Datasheet

### **MYH11 monoclonal antibody, clone SPM201, Clone: [SPM201], Mouse, Monoclonal ABN-MAB13124**

|                          |                                                                             |
|--------------------------|-----------------------------------------------------------------------------|
| Artikelname              | MYH11 monoclonal antibody, clone SPM201, Clone: [SPM201], Mouse, Monoclonal |
| Artikelnummer            | ABN-MAB13124                                                                |
| Hersteller Artikelnummer | MAB13124                                                                    |
| Alternativnummer         | ABN-MAB13124-100                                                            |
| Hersteller               | Abnova                                                                      |
| Wirt                     | Mouse                                                                       |
| Kategorie                | Antikörper                                                                  |
| Applikation              | FC, IF, IHC-P                                                               |
| Spezies Reaktivität      | Human                                                                       |
| Immunogen                | Human uterus extract.                                                       |
| Produktbeschreibung      | Mouse monoclonal antibody raised against native human MYH11....             |
| Klonalität               | Monoclonal                                                                  |
| Klon-Bezeichnung         | [SPM201]                                                                    |
| UniProt                  | 4629                                                                        |
| Puffer                   | In 10 mM PBS.                                                               |
| Formulierung             | Liquid                                                                      |
| Target-Kategorie         | MYH11                                                                       |

|                        |                                                                                                                                                                                                                                               |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | Flow Cytometry (0.5-1 ug/10 <sup>6</sup> cells in 0.1 mL)Immunofluorescence (0.5-1 ug/mL)Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections) (0.5-1 ug/mL)The optimal working dilution should be determined by the end user. |
