## Product Datasheet

### **VCAM1 monoclonal antibody, clone VCAM1/843, Clone: [VCAM1/843], Mouse, Monoclonal ABN-MAB13449**

|                          |                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------|
| Artikelname              | VCAM1 monoclonal antibody, clone VCAM1/843, Clone: [VCAM1/843],<br>Mouse, Monoclonal |
| Artikelnummer            | ABN-MAB13449                                                                         |
| Hersteller Artikelnummer | MAB13449                                                                             |
| Alternativnummer         | ABN-MAB13449-100                                                                     |
| Hersteller               | Abnova                                                                               |
| Wirt                     | Mouse                                                                                |
| Kategorie                | Antikörper                                                                           |
| Applikation              | FC, IF, IHC-P                                                                        |
| Spezies Reaktivität      | Human                                                                                |
| Immunogen                | Recombinant protein corresponding to full length human VCAM1.                        |
| Produktbeschreibung      | Mouse monoclonal antibody raised against full length recombinant human VCAM1....     |
| Klonalität               | Monoclonal                                                                           |
| Klon-Bezeichnung         | [VCAM1/843]                                                                          |
| UniProt                  | 7412                                                                                 |
| Puffer                   | In 10 mM PBS (0.05% BSA, 0.05% sodium azide).                                        |
| Formulierung             | Liquid                                                                               |

|                        |                                                                                                                                                                                                                                             |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | VCAM1                                                                                                                                                                                                                                       |
| Application Verdünnung | Flow Cytometry (0.5-1 ug/10 <sup>6</sup> cells in 0.1 mL)Immunofluorescence (1-2 ug/mL)Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections) (0.5-1 ug/mL)The optimal working dilution should be determined by the end user. |
