## Product Datasheet

### **MS4A1 monoclonal antibody, clone IGEL/773, Clone: [IGEL/773], Mouse, Monoclonal ABN-MAB13459**

|                          |                                                                                  |
|--------------------------|----------------------------------------------------------------------------------|
| Artikelname              | MS4A1 monoclonal antibody, clone IGEL/773, Clone: [IGEL/773], Mouse, Monoclonal  |
| Artikelnummer            | ABN-MAB13459                                                                     |
| Hersteller Artikelnummer | MAB13459                                                                         |
| Alternativnummer         | ABN-MAB13459-100                                                                 |
| Hersteller               | Abnova                                                                           |
| Wirt                     | Mouse                                                                            |
| Kategorie                | Antikörper                                                                       |
| Applikation              | FC, IF, IHC-P                                                                    |
| Spezies Reaktivität      | Human                                                                            |
| Immunogen                | Recombinant protein corresponding to full length human MS4A1.                    |
| Produktbeschreibung      | Mouse monoclonal antibody raised against full length recombinant human MS4A1.... |
| Klonalität               | Monoclonal                                                                       |
| Klon-Bezeichnung         | [IGEL/773]                                                                       |
| UniProt                  | 931                                                                              |
| Puffer                   | In 10 mM PBS (0.05% BSA, 0.05% sodium azide).                                    |
| Formulierung             | Liquid                                                                           |

|                        |                                                                                                                                                                                                                                               |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | MS4A1                                                                                                                                                                                                                                         |
| Application Verdünnung | Flow Cytometry (0.5-1 ug/10 <sup>6</sup> cells in 0.1 mL)Immunofluorescence (0.5-1 ug/mL)Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections) (0.5-1 ug/mL)The optimal working dilution should be determined by the end user. |
