| Artikelnummer            | ABN-MAB1387                                                                              |
| Hersteller Artikelnummer | MAB1387                                                                                  |
| Alternativnummer         | ABN-MAB1387-100                                                                          |
| Hersteller               | Abnova                                                                                   |
| Wirt                     | Mouse                                                                                    |
| Kategorie                | Antikörper                                                                               |
| Applikation              | ELISA, ICC, IF, WB                                                                       |
| Spezies Reaktivität      | Porcine                                                                                  |
| Immunogen                | Native purified tubulin from porcine brain.                                              |
| Produktbeschreibung      | Mouse monoclonal antibody raised against full length native brain tubulin....            |
| Klonalität               | Monoclonal                                                                               |
| Klon-Bezeichnung         | [M154]                                                                                   |
| Isotyp                   | IgG1                                                                                     |
| Puffer                   | In PBS (50% glycerol, 1 mg/mL BSA, 0.05% sodium azide)                                   |
| Formulierung             | Liquid                                                                                   |

|                        |                                                                                                                                  |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | ELISA (1:2000)Immunocytochemistry (1:200)Western Blot (1:1000)The optimal working dilution should be determined by the end user. |
