## Product Datasheet

### **S1PR1 monoclonal antibody, clone 8E4H5, IgG2a, Clone: [8E4H5], Mouse, Monoclonal ABN-MAB21370**

|                          |                                                                                  |
|--------------------------|----------------------------------------------------------------------------------|
| Artikelname              | S1PR1 monoclonal antibody, clone 8E4H5, IgG2a, Clone: [8E4H5], Mouse, Monoclonal |
| Artikelnummer            | ABN-MAB21370                                                                     |
| Hersteller Artikelnummer | MAB21370                                                                         |
| Alternativnummer         | ABN-MAB21370-100                                                                 |
| Hersteller               | Abnova                                                                           |
| Wirt                     | Mouse                                                                            |
| Kategorie                | Antikörper                                                                       |
| Applikation              | ELISA, FC, IHC-P, WB                                                             |
| Spezies Reaktivität      | Human                                                                            |
| Immunogen                | Recombinant protein corresponding to human S1PR1.                                |
| Produktbeschreibung      | Mouse monoclonal antibody raised against partial recombinant human S1PR1....     |
| Klonalität               | Monoclonal                                                                       |
| Klon-Bezeichnung         | [8E4H5]                                                                          |
| Isotyp                   | IgG2a                                                                            |
| UniProt                  | 1901                                                                             |
| Puffer                   | In PBS (0.05% sodium azide).                                                     |

|                        |                                                                                                                                                                                                                             |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                                                                      |
| Target-Kategorie       | S1PR1                                                                                                                                                                                                                       |
| Application Verdünnung | ELISA (1:10000)Flow Cytometry (1:200-1:400)Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections) (1:200-1:1000)Western Blot (1:500-1:2000)The optimal working dilution should be determined by the end user. |
