## Product Datasheet

### Rabbit anti-GSK3 alpha/beta Antibody, Polyclonal DLD-DL90512A

|                          |                                                                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Rabbit anti-GSK3 alpha/beta Antibody, Polyclonal                                                                                               |
| Artikelnummer            | DLD-DL90512A                                                                                                                                   |
| Hersteller Artikelnummer | DL90512A                                                                                                                                       |
| Alternativnummer         | DLD-DL90512A-100,DLD-DL90512A-50                                                                                                               |
| Hersteller               | DLDEVELOP                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                     |
| Applikation              | IHC, WB                                                                                                                                        |
| Spezies Reaktivität      | Human                                                                                                                                          |
| Immunogen                | KLH-conjugated synthetic peptide encompassing a sequence within the center region of human GSK3 alpha/beta. The exact sequence is proprietary. |
| Klonalität               | Polyclonal                                                                                                                                     |
| Konzentration            | 1mg/mL                                                                                                                                         |
| NCBI                     | <a href="#">2931</a>                                                                                                                           |
| UniProt                  | <a href="#">P49840</a>                                                                                                                         |
| Puffer                   | Liquid in 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.                                      |
| Reinheit                 | The antibody was purified by immunogen affinity chromatography.                                                                                |

|                        |                                         |
|------------------------|-----------------------------------------|
| Application Verdünnung | WB (1/500 - 1/1000), IH (1/100 - 1/200) |
|------------------------|-----------------------------------------|
