### Rabbit anti-AP2 alpha/beta Antibody, Polyclonal DLD-DL91146A

|                          |                                                                                                                                               |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Rabbit anti-AP2 alpha/beta Antibody, Polyclonal                                                                                               |
| Artikelnummer            | DLD-DL91146A                                                                                                                                  |
| Hersteller Artikelnummer | DL91146A                                                                                                                                      |
| Alternativnummer         | DLD-DL91146A-100,DLD-DL91146A-50                                                                                                              |
| Hersteller               | DLDEVELOP                                                                                                                                     |
| Wirt                     | Rabbit                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                    |
| Applikation              | ChIP, EMSA, IF, IHC, WB                                                                                                                       |
| Spezies Reaktivität      | Human                                                                                                                                         |
| Immunogen                | KLH-conjugated synthetic peptide encompassing a sequence within the C-term region of human AP2 alpha/beta. The exact sequence is proprietary. |
| Klonalität               | Polyclonal                                                                                                                                    |
| Konzentration            | 1mg/mL                                                                                                                                        |
| NCBI                     | <a href="#">7040</a>                                                                                                                          |
| UniProt                  | <a href="#">P01137</a>                                                                                                                        |
| Puffer                   | Liquid in 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.                                     |
| Reinheit                 | The antibody was purified by immunogen affinity chromatography.                                                                               |

|                        |                                                                                   |
|------------------------|-----------------------------------------------------------------------------------|
| Application Verdünnung | WB (1/500 - 1/1000), IH (1/100 - 1/200), IF/IC (1/100 - 1/500), IP (1/10 - 1/100) |
