| Immunogen                | A synthetic peptide of human LIG1                                                                                                                                                                                                                             |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | This gene encodes a member of the ATP-dependent DNA ligase protein family. The encoded protein functions in DNA replication, recombination, and the base excision repair process. Mutations in this gene that lead to DNA ligase I deficiency result in im... |
| Molekulargewicht         | 102 kDa                                                                                                                                                                                                                                                       |
| UniProt                  | <a href="#">P18858</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Affinity Purification                                                                                                                                                                                                                                         |

|                        |                                                                                                                                                             |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Store at -20C. Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% sodium azide and 0.05% BSA. Stable for 12 months from date of receipt. |
| Application Verdünnung | WB: 1:1000&lt;br /&gt;IHC: 1:20&lt;br /&gt;ICC/IF: 1:50                                                                                                     |
| Anwendungsbeschreibung | IgG                                                                                                                                                         |
