| Immunogen                | A synthetic peptide of human Cullin 3                                                                                                                                                                                                                         |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | This gene encodes a member of the cullin protein family. The encoded protein plays a critical role in the polyubiquitination and subsequent degradation of specific protein substrates as the core component and scaffold protein of an E3 ubiquitin ligas... |
| Molekulargewicht         | 89 kDa                                                                                                                                                                                                                                                        |
| UniProt                  | <a href="#">Q13618</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Affinity Purification                                                                                                                                                                                                                                         |

|                        |                                                                                                                                                             |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Store at -20C. Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% sodium azide and 0.05% BSA. Stable for 12 months from date of receipt. |
| Application Verdünnung | WB: 1:1000-1:2000<br />FC: 1:20<br />IP: 1:20                                                                                                               |
