| Immunogen                | Recombinant protein of human AMY2A.                                                                                                                                                                                                                           |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | This gene encodes a member of the alpha-amylase family of proteins. Amylases are secreted proteins that hydrolyze 1,4-alpha-glucoside bonds in oligosaccharides and polysaccharides, catalyzing the first step in digestion of dietary starch and glycogen... |
| Molekulargewicht         | ~ 58 kDa                                                                                                                                                                                                                                                      |
| UniProt                  | <a href="#">P04746</a>                                                                                                                                                                                                                                        |
| Reinheit                 | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen and the purity is > 95% (by SDS-PAGE).                                                                                                   |

|                        |                                                                        |
|------------------------|------------------------------------------------------------------------|
| Formulierung           | Rabbit IgG, 1mg/ml in PBS with 0.02% sodium azide, 50% glycerol, pH7.2 |
| Application Verdünnung | WB 1:500 - 1:2000 IHC 1:50 - 1:200                                     |
| Anwendungsbeschreibung | AMY2A polyclonal antibody detects endogenous levels of AMY2A protein.  |
