| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                             |
| Immunogen                | Recombinant fusion protein of human CPS1(NP_001866.2).                                                                                                                                                                                                        |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | The mitochondrial enzyme encoded by this gene catalyzes synthesis of carbamoyl phosphate from ammonia and bicarbonate. This reaction is the first committed step of the urea cycle, which is important in the removal of excess urea from cells. The encod... |
| Molekulargewicht         | 165KDa                                                                                                                                                                                                                                                        |
| UniProt                  | <a href="#">P31327</a>                                                                                                                                                                                                                                        |
| Reinheit                 | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen and the purity is > 95% (by SDS-PAGE).                                                                                                   |

|                        |                                                            |
|------------------------|------------------------------------------------------------|
| Formulierung           | 1mg/ml in PBS with 0.02% sodium azide, 50% glycerol, pH7.2 |
| Application Verdünnung | WB,1:1000 - 1:2000 IF/ICC,1:50 - 1:200                     |
| Anwendungsbeschreibung | Polyclonal Antibodies                                      |
