| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                             |
| Immunogen                | Recombinant fusion protein of human RNF5(NP_008844.1).                                                                                                                                                                                                        |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | The protein encoded by this gene contains a RING finger, which is a motif known to be involved in protein-protein interactions. This protein is a membrane-bound ubiquitin ligase. It can regulate cell motility by targeting paxillin ubiquitination and ... |
| Molekulargewicht         | 21kDa                                                                                                                                                                                                                                                         |
| UniProt                  | <a href="#">Q99942</a>                                                                                                                                                                                                                                        |
| Reinheit                 | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen and the purity is > 95% (by SDS-PAGE).                                                                                                   |

|                        |                                                            |
|------------------------|------------------------------------------------------------|
| Formulierung           | 1mg/ml in PBS with 0.02% sodium azide, 50% glycerol, pH7.2 |
| Application Verdünnung | WB,1:500 - 1:2000 IHC,1:50 - 1:200 IF/ICC,1:50 - 1:100     |
| Anwendungsbeschreibung | Polyclonal Antibodies                                      |
