| Immunogen                | Recombinant protein of human SF1                                                                                                                                                                                                                              |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | Steroidogenic factor-1 (SF-1) regulates multiple genes involved in the adrenal and gonadal development and in the biosynthesis of a variety of hormones, including adrenal and gonadal steroids, anti-Mullerian hormone (AMH), and gonadotropins. SF-1 bel... |
| Molekulargewicht         | 68kDa                                                                                                                                                                                                                                                         |
| UniProt                  | <a href="#">Q15637</a>                                                                                                                                                                                                                                        |
| Reinheit                 | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen and the purity is > 95% (by SDS-PAGE).                                                                                                   |

|                        |                                                                        |
|------------------------|------------------------------------------------------------------------|
| Formulierung           | Rabbit IgG, 1mg/ml in PBS with 0.02% sodium azide, 50% glycerol, pH7.2 |
| Application Verdünnung | WB 1:500 - 1:2000 IHC 1:50 - 1:200                                     |
| Anwendungsbeschreibung | SF1 polyclonal antibody detects endogenous levels of SF1 protein.      |
