| Immunogen                | Recombinant fusion protein of human VEGF-D(NP_004460.1).                                                                                                                                                                                                      |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | The protein encoded by this gene is a member of the platelet-derived growth factor/vascular endothelial growth factor (PDGF/VEGF) family and is active in angiogenesis, lymphangiogenesis, and endothelial cell growth. This secreted protein undergoes a ... |
| Molekulargewicht         | 50kDa                                                                                                                                                                                                                                                         |
| UniProt                  | <a href="#">043915</a>                                                                                                                                                                                                                                        |

|                        |                                                                                                                                                             |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen and the purity is > 95% (by SDS-PAGE). |
| Formulierung           | 1mg/ml in PBS with 0.02% sodium azide, 50% glycerol, pH7.2                                                                                                  |
| Application Verdünnung | WB,1:500 - 1:2000                                                                                                                                           |
| Anwendungsbeschreibung | Unmodification                                                                                                                                              |
