## Product Datasheet

### S-RBD protein, Human BWT-NCP0040P

Artikelname	S-RBD protein, Human
Artikelnummer	BWT-NCP0040P
Hersteller Artikelnummer	NCP0040P
Alternativnummer	BWT-NCP0040P-1MG
Hersteller	Bioworld Technology
Wirt	Human
Kategorie	Proteine/Peptide
Applikation	ELISA, WB
Spezies Reaktivität	Virus
Produktbeschreibung	Protein S (PROS1) is lycoprotein and expressed in many cell types supporting its reported involvement in multiple biological processes that include coagulation, apoptosis, cancer development and progression, and the innate immune response. Known recep...
UniProt	QHD43416.1
Puffer	PBS, pH7.4
Reinheit	The protein was purified from sf21 and the purity is > 95% (by SDS-PAGE).
Application Verdünnung	Immunogen
