| Artikelname              | Anti-Renin Receptor ATP6AP2 Antibody, Rabbit, Polyclonal                                                                               |
| Artikelnummer            | BOB-A02665-1                                                                                                                           |
| Hersteller Artikelnummer | A02665-1                                                                                                                               |
| Alternativnummer         | BOB-A02665-1-100UL                                                                                                                     |
| Hersteller               | Boster Bio                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                             |
| Applikation              | WB                                                                                                                                     |
| Spezies Reaktivität      | Human, Mouse                                                                                                                           |
| Immunogen                | Synthetic peptide, corresponding to amino acids 209-254 of Human Renin Receptor.                                                       |
| Produktbeschreibung      | Boster Bio Anti-Renin Receptor ATP6AP2 Antibody catalog A02665-1. Tested in WB applications. This antibody reacts with Human,Mouse.... |
| Klonalität               | Polyclonal                                                                                                                             |
| Konzentration            | 1 mg/ml                                                                                                                                |
| Molekulargewicht         | 39008 MW                                                                                                                               |
| UniProt                  | <a href="#">O75787</a>                                                                                                                 |

|                        |                                                                                                                                                             |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Rabbit IgG, 1mg/ml in PBS with 0.02% sodium azide, 50% glycerol, pH7.2                                                                                      |
| Reinheit               | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen and the purity is > 95% (by SDS-PAGE). |
| Formulierung           | Liquid                                                                                                                                                      |
| Target-Kategorie       | Renin receptor                                                                                                                                              |
| Application Verdünnung | WB: 1:500-1:1000                                                                                                                                            |
