| Artikelname              | Anti-O5AK2 OR5AK2 Antibody, Rabbit, Polyclonal                                                                              |
| Artikelnummer            | BOB-A18790                                                                                                                  |
| Hersteller Artikelnummer | A18790                                                                                                                      |
| Alternativnummer         | BOB-A18790-100UL                                                                                                            |
| Hersteller               | Boster Bio                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                  |
| Applikation              | ELISA, WB                                                                                                                   |
| Spezies Reaktivität      | Human                                                                                                                       |
| Immunogen                | Synthesized peptide derived from human protein at AA range: 220-300                                                         |
| Produktbeschreibung      | Boster Bio Anti-O5AK2 OR5AK2 Antibody catalog A18790. Tested in WB, ELISA applications. This antibody reacts with Human.... |
| Klonalität               | Polyclonal                                                                                                                  |
| Konzentration            | 1 mg/ml                                                                                                                     |
| Molekulargewicht         | 34627 MW                                                                                                                    |
| UniProt                  | <a href="#">Q8NH90</a>                                                                                                      |
| Puffer                   | Liquid form in PBS containing 50% glycerol, and 0.02% sodium azide.                                                         |

|                        |                                                                                                                         |
|------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | O5AK2 antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen. |
| Formulierung           | Liquid                                                                                                                  |
| Target-Kategorie       | Olfactory receptor 5AK2                                                                                                 |
| Application Verdünnung | WB 1:500-2000 ELISA 1:5000-20000                                                                                        |
