| Applikation              | ELISA, IF, IHC, IP, WB                                                                                                                                                                                                                                        |
| Spezies Reaktivität      | Gallus, Human, Mouse, Rat                                                                                                                                                                                                                                     |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human STAT1. AA range:694-743                                                                                                                                                             |
| Produktbeschreibung      | The protein encoded byThis gene is a member of the STAT protein family. In response to cytokines and growth factors, STAT family members are phosphorylated by the receptor associated kinases, and then form homo- or heterodimers that translocate to th... |

| Quelle                   | Polyclonal, Rabbit IgG                                                                                                                                                                                                                                        |
| Reinheit                 | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                                                                                         |

|                        |                                                                                                                    |
|------------------------|--------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                            |
| Application Verdünnung | IF 1:50-200 WB 1:500 - 1:2000. IHC 1:100 - 1:300. IP: 1:200. ELISA: 1:10000. Not yet tested in other applications. |
