| Immunogen                | Synthesized peptide derived from part region of human protein                                                                                                                                                                                                 |
| Produktbeschreibung      | The protein encoded by this gene is an intermediate filament-associated protein that aggregates keratin intermediate filaments in mammalian epidermis. It is initially synthesized as a polyprotein precursor, profilaggrin (consisting of multiple filagg... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| UniProt                  | <a href="#">P20930</a>                                                                                                                                                                                                                                        |
| Quelle                   | Polyclonal, Rabbit IgG                                                                                                                                                                                                                                        |
| Reinheit                 | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                                                                                         |

|                        |                                                                |
|------------------------|----------------------------------------------------------------|
| Formulierung           | Liquid in PBS containing 50% glycerol, and 0.02% sodium azide. |
| Application Verdünnung | IHC 1:50-300. IF 1:50-200                                      |
