| Hersteller               | Assay Biotechnology                                                                                                                                                                                                                                           |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, IF, IHC, WB                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Purified recombinant fragment of human MCL-1 expressed in E. Coli.                                                                                                                                                                                            |
| Produktbeschreibung      | This gene encodes an anti-apoptotic protein, which is a member of the Bcl-2 family. Alternative splicing results in multiple transcript variants. The longest gene product (isoform 1) enhances cell survival by inhibiting apoptosis while the alternativ... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
