| Hersteller               | Assay Biotechnology                                                                                                                                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, ICC, IHC, WB                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Bovine                                                                                                                                                                                                                                                        |
| Konjugation              | HRP                                                                                                                                                                                                                                                           |
| Produktbeschreibung      | Assay Biotechnology secondary antibodies are available conjugated to enzyme, biotin or fluorophore for use in a variety of antibody-based applications including Western Blot, ImmunoHistoChemistry, ImmunoFluorescence, Flow Cytometry and ELISA. We offe... |
| Quelle                   | Polyclonal, Rabbit IgG                                                                                                                                                                                                                                        |
| Reinheit                 | The antibody was isolated from ascitic by immunoaffinity chromatography using antigens coupled to agarose beads.                                                                                                                                              |
| Formulierung             | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                                                                                       |

|                        |                                                                                             |
|------------------------|---------------------------------------------------------------------------------------------|
| Application Verdünnung | Elisa (1:5000 - 1:20000), WB (1:5000 - 1:20000), IHC (1:500 - 1:1000), ICC (1:500 - 1:1000) |
|------------------------|---------------------------------------------------------------------------------------------|
