### Anti-PIGG ATA-HPA015997

|                          |                                                                    |
|--------------------------|--------------------------------------------------------------------|
| Artikelname              | Anti-PIGG                                                          |
| Artikelnummer            | ATA-HPA015997                                                      |
| Hersteller Artikelnummer | HPA015997                                                          |
| Alternativnummer         | ATA-HPA015997-100,ATA-HPA015997-25                                 |
| Hersteller               | Atlas Antibodies                                                   |
| Wirt                     | Rabbit                                                             |
| Kategorie                | Antikörper                                                         |
| Applikation              | IHC                                                                |
| Spezies Reaktivität      | Human                                                              |
| Immunogen                | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence |
| Konjugation              | Unconjugated                                                       |
| Produktbeschreibung      | phosphatidylinositol glycan anchor biosynthesis, class G...        |
| Klonalität               | Polyclonal                                                         |
| Konzentration            | 0.2 mg/ml                                                          |
| Isotyp                   | IgG                                                                |
| NCBI                     | <a href="#">54872</a>                                              |
| UniProt                  | <a href="#">Q5H8A4</a>                                             |

|                        |                                                                                                                                                     |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.                                                                         |
| Reinheit               | Affinity purified using the PrEST antigen as affinity ligand                                                                                        |
| Sequenz                | VEYDGTTSFFVSDYTEVDNNVTRHLDKVLKRGDWDILILHYLGLDHHISGP<br>NSPLIGQKLSEMDSVLMKIHTSLQSKERETPLPNLLVLCGDHGMSETGSHGAS<br>STEEVNTPLILISSAFERKPGDIRHPKHVQQTDVA |
| Lagerung               | Store at +4°C for short term storage. Long time storage is recommended at -20°C.                                                                    |
| Target-Kategorie       | PIGG                                                                                                                                                |
| Antibody Type          | Monoclonal Antibody                                                                                                                                 |
| Application Verdünnung | IHC: 1:200 - 1:500                                                                                                                                  |
