### Anti-DNAJC8 ATA-HPA026275

|                          |                                                                    |
|--------------------------|--------------------------------------------------------------------|
| Artikelname              | Anti-DNAJC8                                                        |
| Artikelnummer            | ATA-HPA026275                                                      |
| Hersteller Artikelnummer | HPA026275                                                          |
| Alternativnummer         | ATA-HPA026275-100,ATA-HPA026275-25                                 |
| Hersteller               | Atlas Antibodies                                                   |
| Wirt                     | Rabbit                                                             |
| Kategorie                | Molekularbiologie                                                  |
| Applikation              | ICC                                                                |
| Spezies Reaktivität      | Human                                                              |
| Immunogen                | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence |
| Konjugation              | Unconjugated                                                       |
| Produktbeschreibung      | DnaJ (Hsp40) homolog, subfamily C, member 8...                     |
| Klonalität               | Polyclonal                                                         |
| Konzentration            | 0.05 mg/ml                                                         |
| Isotyp                   | IgG                                                                |
| NCBI                     | <a href="#">22826</a>                                              |
| UniProt                  | <a href="#">O75937</a>                                             |

|                        |                                                                                          |
|------------------------|------------------------------------------------------------------------------------------|
| Puffer                 | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.              |
| Reinheit               | Affinity purified using the PrEST antigen as affinity ligand                             |
| Sequenz                | EGSRGGWAGEMAASGESGTSGGGGSTEEAFMTFYSEVKQIEKRDSVLTSKN<br>QIERLTRPGSSYFNLNPFEVLQIDPEVTDEEIK |
| Lagerung               | Store at +4°C for short term storage. Long time storage is recommended at -20°C.         |
| Target-Kategorie       | DNAJC8                                                                                   |
| Antibody Type          | Monoclonal Antibody                                                                      |
| Application Verdünnung | ICC-IF: 0.25-2 µg/ml                                                                     |
