### Anti-DNA2 ATA-HPA037487

|                          |                                                                    |
|--------------------------|--------------------------------------------------------------------|
| Artikelname              | Anti-DNA2                                                          |
| Artikelnummer            | ATA-HPA037487                                                      |
| Hersteller Artikelnummer | HPA037487                                                          |
| Alternativnummer         | ATA-HPA037487-100,ATA-HPA037487-25                                 |
| Hersteller               | Atlas Antibodies                                                   |
| Wirt                     | Rabbit                                                             |
| Kategorie                | Molekularbiologie                                                  |
| Applikation              | IHC                                                                |
| Spezies Reaktivität      | Human                                                              |
| Immunogen                | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence |
| Konjugation              | Unconjugated                                                       |
| Produktbeschreibung      | DNA replication helicase/nuclease 2...                             |
| Klonalität               | Polyclonal                                                         |
| Konzentration            | 0.3 mg/ml                                                          |
| Isotyp                   | IgG                                                                |
| NCBI                     | <a href="#">1763</a>                                               |
| UniProt                  | <a href="#">P51530</a>                                             |

|                        |                                                                                           |
|------------------------|-------------------------------------------------------------------------------------------|
| Puffer                 | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.               |
| Reinheit               | Affinity purified using the PrEST antigen as affinity ligand                              |
| Sequenz                | TVLSTGMDNRYLVLAVENTVQNKEGNCEKRLVITASQSLENKELCILRNDWCSV<br>PVEPGDIIHLEGDCTSDTWIIDKDFGYLILY |
| Lagerung               | Store at +4°C for short term storage. Long time storage is recommended at -20°C.          |
| Target-Kategorie       | DNA2                                                                                      |
| Antibody Type          | Monoclonal Antibody                                                                       |
| Application Verdünnung | IHC: 1:50 - 1:200                                                                         |
