## Product Datasheet

### Anti-CRLF1, Rabbit, Polyclonal ATA-HPA041793

|                          |                                                                    |
|--------------------------|--------------------------------------------------------------------|
| Artikelname              | Anti-CRLF1, Rabbit, Polyclonal                                     |
| Artikelnummer            | ATA-HPA041793                                                      |
| Hersteller Artikelnummer | HPA041793                                                          |
| Alternativnummer         | ATA-HPA041793-100                                                  |
| Hersteller               | Atlas Antibodies                                                   |
| Wirt                     | Rabbit                                                             |
| Kategorie                | Antikörper                                                         |
| Applikation              | IHC, WB                                                            |
| Spezies Reaktivität      | Human                                                              |
| Immunogen                | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence |
| Konjugation              | Unconjugated                                                       |
| Produktbeschreibung      | cytokine receptor-like factor 1...                                 |
| Klonalität               | Polyclonal                                                         |
| Konzentration            | 0.05 mg/ml                                                         |
| Isotyp                   | IgG                                                                |
| NCBI                     | <a href="#">9244</a>                                               |
| UniProt                  | <a href="#">O75462</a>                                             |

|                        |                                                                                           |
|------------------------|-------------------------------------------------------------------------------------------|
| Puffer                 | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.               |
| Reinheit               | Affinity purified using the PrEST antigen as affinity ligand                              |
| Sequenz                | VLTLDILDVVTDDPPPDVHVS RVGGLEDQLSVRWVSPPALKDFLFQAKYQIRY<br>RVEDSVDWKVVDDVSNQTSCRLAGLKPGTVY |
| Lagerung               | Store at +4°C for short term storage. Long time storage is recommended at -20°C.          |
| Antibody Type          | Monoclonal Antibody                                                                       |
| Application Verdünnung | IHC: 1:50 - 1:200, WB: 0.04-0.4 µg/ml                                                     |
