### Anti-UQCRQ ATA-HPA046693

|                          |                                                                      |
|--------------------------|----------------------------------------------------------------------|
| Artikelname              | Anti-UQCRQ                                                           |
| Artikelnummer            | ATA-HPA046693                                                        |
| Hersteller Artikelnummer | HPA046693                                                            |
| Alternativnummer         | ATA-HPA046693-100,ATA-HPA046693-25                                   |
| Hersteller               | Atlas Antibodies                                                     |
| Wirt                     | Rabbit                                                               |
| Kategorie                | Sonstiges                                                            |
| Applikation              | ICC, IHC                                                             |
| Spezies Reaktivität      | Human                                                                |
| Immunogen                | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence   |
| Konjugation              | Unconjugated                                                         |
| Produktbeschreibung      | ubiquinol-cytochrome c reductase, complex III subunit VII, 9.5kDa... |
| Klonalität               | Polyclonal                                                           |
| Konzentration            | 0.1 mg/ml                                                            |
| Isotyp                   | IgG                                                                  |
| NCBI                     | <a href="#">27089</a>                                                |
| UniProt                  | <a href="#">O14949</a>                                               |

|                        |                                                                                  |
|------------------------|----------------------------------------------------------------------------------|
| Puffer                 | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.      |
| Reinheit               | Affinity purified using the PrEST antigen as affinity ligand                     |
| Sequenz                | REFGNLTRMRHVISYSLSPFEQRAYPHVFTKGIPNVLRR                                          |
| Lagerung               | Store at +4°C for short term storage. Long time storage is recommended at -20°C. |
| Target-Kategorie       | UQCRQ                                                                            |
| Antibody Type          | Monoclonal Antibody                                                              |
| Application Verdünnung | ICC-IF: 0.25-2 µg/ml, IHC: 1:50 - 1:200                                          |
