### Anti-FAM89B ATA-HPA046895

|                          |                                                                             |
|--------------------------|-----------------------------------------------------------------------------|
| Artikelname              | Anti-FAM89B                                                                 |
| Artikelnummer            | ATA-HPA046895                                                               |
| Hersteller Artikelnummer | HPA046895                                                                   |
| Alternativnummer         | ATA-HPA046895-100                                                           |
| Hersteller               | Atlas Antibodies                                                            |
| Wirt                     | Rabbit                                                                      |
| Kategorie                | Sonstiges                                                                   |
| Applikation              | IHC, WB                                                                     |
| Spezies Reaktivität      | Human                                                                       |
| Immunogen                | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence          |
| Konjugation              | Unconjugated                                                                |
| Produktbeschreibung      | family with sequence similarity 89, member B...                             |
| Klonalität               | Polyclonal                                                                  |
| Isotyp                   | IgG                                                                         |
| NCBI                     | <a href="#">23625</a>                                                       |
| UniProt                  | <a href="#">Q8N5H3</a>                                                      |
| Puffer                   | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative. |

|                        |                                                                                  |
|------------------------|----------------------------------------------------------------------------------|
| Reinheit               | Affinity purified using the PrEST antigen as affinity ligand                     |
| Sequenz                | RKEMLWGLYESIQDYKHLQCQLSFCQDLSSSLHSDSSYPDPAGLS                                    |
| Lagerung               | Store at +4°C for short term storage. Long time storage is recommended at -20°C. |
| Target-Kategorie       | FAM89B                                                                           |
| Antibody Type          | Monoclonal Antibody                                                              |
| Application Verdünnung | IHC: 1:20 - 1:50, WB: 0.04-0.4 µg/ml                                             |
