### Anti-TCEANC2 ATA-HPA046918

|                          |                                                                                       |
|--------------------------|---------------------------------------------------------------------------------------|
| Artikelname              | Anti-TCEANC2                                                                          |
| Artikelnummer            | ATA-HPA046918                                                                         |
| Hersteller Artikelnummer | HPA046918                                                                             |
| Alternativnummer         | ATA-HPA046918-100,ATA-HPA046918-25                                                    |
| Hersteller               | Atlas Antibodies                                                                      |
| Wirt                     | Rabbit                                                                                |
| Kategorie                | Sonstiges                                                                             |
| Applikation              | ICC, IHC, WB                                                                          |
| Spezies Reaktivität      | Human                                                                                 |
| Immunogen                | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence                    |
| Konjugation              | Unconjugated                                                                          |
| Produktbeschreibung      | transcription elongation factor A (SII) N-terminal and central domain containing 2... |
| Klonalität               | Polyclonal                                                                            |
| Konzentration            | 0.1 mg/ml                                                                             |
| Isotyp                   | IgG                                                                                   |
| NCBI                     | <a href="#">127428</a>                                                                |
| UniProt                  | <a href="#">Q96MN5</a>                                                                |

|                        |                                                                                    |
|------------------------|------------------------------------------------------------------------------------|
| Puffer                 | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.        |
| Reinheit               | Affinity purified using the PrEST antigen as affinity ligand                       |
| Sequenz                | TMLELPDQTKENLVEALQELKKKIPSREVLKSTRIGHTVNMKMRKHS DSEVASLA<br>REVYTEWKTFTEKHSNRPSIEV |
| Lagerung               | Store at +4°C for short term storage. Long time storage is recommended at -20°C.   |
| Target-Kategorie       | TCEANC2                                                                            |
| Antibody Type          | Monoclonal Antibody                                                                |
| Application Verdünnung | ICC-IF: 0.25-2 µg/ml, IHC: 1:200 - 1:500, WB: 0.04-0.4 µg/ml                       |
