### Anti-TMEM200C ATA-HPA047253

|                          |                                                                    |
|--------------------------|--------------------------------------------------------------------|
| Artikelname              | Anti-TMEM200C                                                      |
| Artikelnummer            | ATA-HPA047253                                                      |
| Hersteller Artikelnummer | HPA047253                                                          |
| Alternativnummer         | ATA-HPA047253-100,ATA-HPA047253-25                                 |
| Hersteller               | Atlas Antibodies                                                   |
| Wirt                     | Rabbit                                                             |
| Kategorie                | Sonstiges                                                          |
| Applikation              | ICC, IHC, WB                                                       |
| Spezies Reaktivität      | Human                                                              |
| Immunogen                | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence |
| Konjugation              | Unconjugated                                                       |
| Produktbeschreibung      | transmembrane protein 200C...                                      |
| Klonalität               | Polyclonal                                                         |
| Konzentration            | 0.5 mg/ml                                                          |
| Isotyp                   | IgG                                                                |
| NCBI                     | <a href="#">645369</a>                                             |
| UniProt                  | <a href="#">A6NKL6</a>                                             |

|                        |                                                                                  |
|------------------------|----------------------------------------------------------------------------------|
| Puffer                 | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.      |
| Reinheit               | Affinity purified using the PrEST antigen as affinity ligand                     |
| Sequenz                | SSQSDDPSSSNKGYTPLREAGTSTESVLDAVAGQTRDSAVAAPVLGAEQSSP<br>EGASQEPPTAEQPQPVQ        |
| Lagerung               | Store at +4°C for short term storage. Long time storage is recommended at -20°C. |
| Target-Kategorie       | TMEM200C                                                                         |
| Antibody Type          | Monoclonal Antibody                                                              |
| Application Verdünnung | ICC-IF: 0.25-2 µg/ml, IHC: 1:50 - 1:200, WB: 0.04-0.4 µg/ml                      |
