### Anti-GGA1 ATA-HPA048280

|                          |                                                                          |
|--------------------------|--------------------------------------------------------------------------|
| Artikelname              | Anti-GGA1                                                                |
| Artikelnummer            | ATA-HPA048280                                                            |
| Hersteller Artikelnummer | HPA048280                                                                |
| Alternativnummer         | ATA-HPA048280-100                                                        |
| Hersteller               | Atlas Antibodies                                                         |
| Wirt                     | Rabbit                                                                   |
| Kategorie                | Sonstiges                                                                |
| Applikation              | ICC, IHC, WB                                                             |
| Spezies Reaktivität      | Human                                                                    |
| Immunogen                | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence       |
| Konjugation              | Unconjugated                                                             |
| Produktbeschreibung      | golgi-associated, gamma adaptin ear containing, ARF binding protein 1... |
| Klonalität               | Polyclonal                                                               |
| Konzentration            | 0.05 mg/ml                                                               |
| Isotyp                   | IgG                                                                      |
| NCBI                     | <a href="#">26088</a>                                                    |
| UniProt                  | <a href="#">Q9UJY5</a>                                                   |

|                        |                                                                                  |
|------------------------|----------------------------------------------------------------------------------|
| Puffer                 | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.      |
| Reinheit               | Affinity purified using the PrEST antigen as affinity ligand                     |
| Sequenz                | PSMESRPPAQTSLPASSGLDDLDLLGKTLLQQSLPPESQQVRWEKQQPTPRL<br>TLRDLQNKSSS              |
| Lagerung               | Store at +4°C for short term storage. Long time storage is recommended at -20°C. |
| Target-Kategorie       | GGA1                                                                             |
| Antibody Type          | Monoclonal Antibody                                                              |
| Application Verdünnung | ICC-IF: 0.25-2 µg/ml, IHC: 1:20 - 1:50, WB: 0.04-0.4 µg/ml                       |
