| Hersteller Artikelnummer | A59814-10                                                                                                                                                                                                                                                                      |
| Alternativnummer         | ABC-A59814-10                                                                                                                                                                                                                                                                  |
| Hersteller               | Antibodies.com                                                                                                                                                                                                                                                                 |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                                               |
| Applikation              | SDS-PAGE                                                                                                                                                                                                                                                                       |
| Konzentration            | 500 µg/ml                                                                                                                                                                                                                                                                      |
| Tag                      | N-terminal His Tag                                                                                                                                                                                                                                                             |
| Puffer                   | Supplied in 20 mM Tris HCl Buffer, pH 8, with 200 mM Sodium Chloride, 2 mM DTT, and 50% Glycerol.                                                                                                                                                                              |
| Expression System        | Escherichia coli                                                                                                                                                                                                                                                               |
| Reinheit                 | >80% as determined by SDS-PAGE.                                                                                                                                                                                                                                                |
| Formulierung             | Liquid                                                                                                                                                                                                                                                                         |
