| Artikelname              | Recombinant Human MSRB3 Protein (C-terminal His Tag)                                                                                                                                          |
| Artikelnummer            | ABC-A62295-10                                                                                                                                                                                 |
| Hersteller Artikelnummer | A62295-10                                                                                                                                                                                     |
| Alternativnummer         | ABC-A62295-10                                                                                                                                                                                 |
| Hersteller               | Antibodies.com                                                                                                                                                                                |
| Kategorie                | Proteine/Peptide                                                                                                                                                                              |
| Applikation              | SDS-PAGE                                                                                                                                                                                      |
| Konzentration            | 1 mg/ml                                                                                                                                                                                       |
| Tag                      | C-terminal His Tag                                                                                                                                                                            |
| Puffer                   | Supplied in 20 mM Tris HCl Buffer, pH 8, with 1 mM DTT, 100 µM PMSF, and 10% Glycerol.                                                                                                        |
| Expression System        | Escherichia coli                                                                                                                                                                              |
| Reinheit                 | >90% as determined by SDS-PAGE.                                                                                                                                                               |
| Formulierung             | Liquid                                                                                                                                                                                        |
