## Product Datasheet

### Recombinant Human Proteasome 20S alpha 5/PSMA5 Protein (N-terminal His Tag) ABC-A62344-1

|                          |                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------|
| Artikelname              | Recombinant Human Proteasome 20S alpha 5/PSMA5 Protein (N-terminal His Tag)                       |
| Artikelnummer            | ABC-A62344-1                                                                                      |
| Hersteller Artikelnummer | A62344-1                                                                                          |
| Alternativnummer         | ABC-A62344-1                                                                                      |
| Hersteller               | Antibodies.com                                                                                    |
| Kategorie                | Proteine/Peptide                                                                                  |
| Applikation              | SDS-PAGE                                                                                          |
| Konzentration            | 500 µg/ml                                                                                         |
| Tag                      | N-terminal His Tag                                                                                |
| Puffer                   | Supplied in 20 mM Tris HCl Buffer, pH 8, with 100 mM Sodium Chloride, 2 mM DTT, and 10% Glycerol. |
| Expression System        | Escherichia coli                                                                                  |
| Reinheit                 | >90% as determined by SDS-PAGE.                                                                   |
| Formulierung             | Liquid                                                                                            |

|                  |                                                                                                                                                                                                                                                                                  |
